

RUSK®

Deepshine® Smooth

Keratin Care Smoothing Conditioner

WHAT IS IT? A sodium chloride-free, color-safe, nourishing daily conditioner.

WHO IS IT FOR? For all hair types, including anyone with chemically or color-treated hair.

WHAT DOES IT DO? Replenishes moisture levels and instantly nourishes dull, weak hair. Helps to restore hair's elasticity, strength and vibrancy. Natural keratin moisturizes and restores youthful shine to hair.

HOW DO YOU USE IT? Apply a generous amount of Deepshine® Smooth Keratin Care Smoothing Conditioner to wet hair. Distribute evenly. Leave on for 1 to 3 minutes. Rinse thoroughly.

Deepshine® Smooth Keratin Care Smoothing Conditioner is a daily conditioner recommended for chemically and color-treated hair. Formulated with natural keratin, vitamins and nourishing marine botanicals, Deepshine® Smooth Keratin Care Smoothing Conditioner seals in moisture, locks out humidity and provides lasting protection during thermal styling. Leaves hair smooth, shiny and manageable.
